reference: The idea was creation of minimalistic and elegant object that would look good in every interior. The designer searched for the simplest graphical shapes and decided to go with a line and dot. This led to creation of four lampshades that cast light in four directions, illuminating the ambience. Between the simple shining sheets one can discover abundant interior of the lamp that contrasts with its overall minimalistic look. The lamp is made from solid brass and glass. LED-installation is placed inside the lamp. All parts are handmade and assembled with the utmost care.
