pl. Konfederacji 56, 01-834 Warsaw, Poland / NIP: PL1181947234

name: CBS-2

category: table

composition: brass, steel, concrete

reference: The concrete table legs are architectural elements from the designer's family home, which were dismantled during the renovation of the historic building. The designer approaches the original pre-war fabric of the places he grew up in with great sentiment. Often giving it a new function and meaning. In this way, the old world does not pass away, but in fact acquires greater

significance. Limited edition of 2 pieces.
